Nicholson, J. H. Registrar, McGill University

August 28th, 1917

J. A. Nicholson, Esq.,

Registrar, McGill University, Montreal.

Dear Sir:

I am directed by President Falconer to ask for to be kind enough to let him have information about the McGill Hospital for his article on "Canadian Universities and the War". He would like to know the number of your staff with it, the number of beds, where it has served, etc. and any other information about what it has done.

Yours very truly,

President's Secretary

June 22nd, 1918

Dr. J. A. Nicholson, LL.D.,
McGill University, Montreal.

My dear Dr. Nicholson:

I am returning the copy of the minutes of the Conference of Universities which I have gone over with a good deal of care. I have made some changes which seem to me to bring out more of the meaning of the Conference. Otherwise, they seem to me to be very full and accurate.

With kind regards, I am,

Yours sincerely,

President.
